

Seeds by Design, the name says it all...we are the first production company in the US to offer such a diverse line of vegetable and herb seeds from heirlooms to hybrids, suited for the commercial grower to the home garden trade. We offer more heirloom varieties than any other production company as well as our own line of hybrids, including peppers, tomatoes and vine seeds.

20th ANNIVERSARY HIGHLIGHTS

Tomato Sugar Plum F1

Early maturing hybrid "grape" tomato. Very heavy yielding 1 inch plum shaped fruit. Voted many times, the best tasting tomato in our trials, super sweet and tasty. Fruit set in clusters on indeterminate plants. Selected and bred for outdoor production.

Pepper Fiesta Cayenne

A component blend of red, yellow, purple, green and orange colored cayenne varieties. All selections are small 3" tapered fruit which are pungent and edible. Very attractive used as ornamental peppers planted with multi colored annuals. Fruit dry to the same bright colors.

Radish Halloween Mix

Wonderful variety of radishes that look like the colors of Halloween. Everyday can be a holiday if you succession plant this mixture every two weeks through out the spring. These attractive mild flavored radishes matures in less that a month.

Gourmet Salad Garden

These 5 lettuce varieties are highly praised for flavor and custom blended to create a colorful mixture with numerous bright colors and leaf shapes. Recommended by market gardeners and local chefs from all over the US.

Pepper Rainbow Bell Blend

One of our best selling blends. Who would not want to have your own collection of green, red, yellow, orange and purple sweet bells in their garden. You see this same mixture displayed in the farmers market or produce department.

Eggplant White Star F1

After many requests we created this white hybrid eggplant. White Star can be either used as a white baby eggplant or grown to full maturity for a lovely tear drop shaped glossy white fruit. Very early maturing, excellent for northern climates.

Carrot Rainbow Blend

A Kaleidoscope of Carrots, colorful mixture of five varieties of baby carrots. Plant Atomic Red, Bambino, Cosmic Purple, Lunar White, and Solar Yellow to create perfect bunches of baby carrots. Great for all specialty and farmers markets.

Growers on the cutting edge of today's market trends ask for Seeds by Design when looking for Organic, Heirloom or Hybrid vegetable seeds.
