

Seeds by Design, the name says it all...we are the first production company in the US to offer such a diverse line of vegetable and herb seeds from heirlooms to hybrids, suited for the commercial grower to the home garden trade. We offer more heirloom varieties than any other production company as well as our own line of hybrids, including peppers, tomatoes and vine seeds.

CARROTS FOR ALL SEASONS

Carrot Parisian

58 days to maturity. Paris heirloom container carrot variety from the turn of the 19th century. Uniform deep red orange, smooth, nearly coreless, 1" round planet shaped, very sweet, 9-10" tops, fine grained crisp flesh. Useful old famous French home and fresh market variety, holds color when freezing.

Carrot Atomic Red

65 days to maturity. 11"x 1.5" long tapered bright red roots. High in Lycopene, a precursor to beta carotene, said to be a preventative of several types of cancer. Crispy roots that taste wonderful cooked, color tends to be more intense after cooked, can be slightly washed out when raw.

Carrot Black Nebula

This highly attractive open pollinated carrot variety was bred especially for the home gardener. The dark purple roots can be eaten fresh, roasted, steamed or used for dyes. After the carrots grow too large to eat, leave them in the garden and use for cut flowers. The white umbels are tinged with lavender on the flower edges and stems. Bees love carrot flowers so they make great food for pollinators.

Carrot Rainbow Blend

A kaleidoscope of carrots, colorful mixture of up to six varieties of baby carrots. Plant Atomic Red, Bambino, Black Nebula, Cosmic Purple, Lunar White, and Solar Yellow to create perfect bunches of baby carrots. Great for kitchen gardens year round, specialty and farmer's markets.

Carrot Lunar White

60 days to maturity. Tall vigorous plants, heavy yielding crop snow white carrot roots, grows totally under ground, almost completely coreless, very mild flavor, delicious when picked small great for added color in rainbow bunches.

Carrot Cosmic Purple

58 days to maturity. 7" roots which have smooth purple colored skin and a coreless orange color within. The roots are very sweet, crunchy and tasty. Tops are short about 10" tall. Purple skin coloring remains after cooking or roasting.

Carrot Solar Yellow

63 days to maturity. 6-7" tapered roots, completely yellow carrot, very refreshing sweet flavor, extra crunchy and juicy. An excellent choice for juice extraction for golden carrot soups and sauces.

Carrot Bambino

61 days to maturity. Super sweet baby gourmet carrot, color develops quickly, can pull early, 4" cylindrical blunt roots, very small core, smooth skin, deep orange color, small dwarf tops, developed for canning and pickling whole, must be harvested early.

Growers on the cutting edge of today's market trends ask for Seeds by Design when looking for Organic, Heirloom or Hybrid vegetable seeds.
