

Cool Season Containers

Mustard Osaka Purple

45 days to maturity. Originated in Japan, Osaka Purple grows to be 12 to 14 inches tall. The leaves are a bright green tinged with purple-red. When young, Osaka Purple's leaves are tender, mild and flavorful. Once matured, the leaves are pungent and sharp, great for braising.

Beet Bulls Blood

Matures in 35 days for baby leaves, 55 days for beet root. Bulls Blood is a beautiful dark red-purple top with remarkable flavor. They are as beautiful as Radicchio but easier and faster to grow and with a sweeter flavor. The baby beets are delicious cooked and mixed with salad. The sweet roots are best when harvested young.

Herb Dill Bouquet

Dill Bouquet is early to flower with large seed heads. Early maturing plants have dark green leaves with an intoxicating dill aroma. Its flavor is excellent and can be used to enhance salads, soups, omelets and vegetables. The seeds are also excellent to use for pickles, adding an extra flavor to them.

Radish Philadelphia White Window Box

30 days to maturity. Perfect heirloom radish for containers and garden beds, Philadelphia White Window Box is an excellent choice for home gardeners and market growers. The radishes are crispy with a spicy flavor. The plant produces excellent yields of small, round, white radishes.

Carrot Parisian

55 – 65 days to maturity. This 19th century French heirloom is red-orange with a round shape, looking like a radish. Parisian is smooth and nearly coreless. The root is 1 inch round and very sweet with a 9 – 10 inch long top. Parisian is a useful old famous French home and fresh market variety, holding its color well when frozen.

Kale White Russian

50 days to maturity. White Russian is a dark green oak leaf cut kale with white stems. When cooked, this dark green kale turns sweet but is also great raw. White Russian is very disease resistant.

Lettuce Bronze Arrow

40 – 50 days to maturity. This 1947 All-America Selection winner is dark green with red-brown tips. The leaves are oak-leaf shaped and super sweet. This lettuce is delicious and can remain fresh and tasty up to 3 weeks before bolting.

Herbs Garlic Chives Geisha

80 – 90 days to maturity. 2015 All-American Selection winner Garlic Chives Geisha is slightly larger and more flat than other chives. They are dark green and grow to be 16 inches tall. This heavy cluster of chives contain a distinctive garlic flavor. Geisha is fantastic as an ingredient in stir-fries, soups and as a garnish for any dish.
