

KITCHEN GARDEN CLASSICS

Carrot Rainbow Blend

A kaleidoscope of carrots, colorful mixture of up to six varieties of baby carrots. Plant Atomic Red, Bambino, Black Nebula, Cosmic Purple, Lunar White, and Solar Yellow to create perfect bunches of baby carrots. Great for kitchen gardens year round and specialty and farmer's markets.

Radish Halloween Mix

Wonderful variety of radishes that look like the colors of Halloween. Everyday can be a holiday if you succession plant this mixture every two weeks throughout the spring and fall. These attractive mild flavored radishes mature in less than a month.

Cucumber Eversweet F1

An 8 inch medium green slicing cucumber with robust semi trailing vines that protects the fruit. Fruit has smooth skin with small white spines. Can be enjoyed at a younger stage, when the fruit is approximately 4 inch.

Basil Romanesco

Basil is one of the most popular herbs in any garden. This wide leaved green selection is fusarium resistant and reaches a height of 24 inches. The white flowers attract bees and other pollinators like crazy. Consider planting basil, win your vegetable garden to attract native pollinators.

Onion Warrior

Easy-to-grow bunching onion that is an All-America Selections Winner. Warrior grows quickly and thus matures early, producing a very uniform crop of slender, crisp onion stalks that are easy to harvest and clean. Warrior will hold up in the garden longer than similar green onion varieties.

Red BrandyMaster F1

80 days to maturity. Large indeterminate potato leaf vines, deep red fruits, excellent flavor, beefsteak fruit can weigh up to 12 ounces. The perfect size to slice for summer picnics and bar-b-ques. Just as flavorful as its sister Pink BrandyMaster.

Pepper Chianti F1

5 inch fruits, thick, very sweet and mild flesh on sturdy compact plants, that do not need staking. Dark green fruit mature to bright cherry red. High quality peppers are ideal shape and size for both market and home gardens.
