

Bunching Onion Warrior
AAS 2016 Edible Winner
Regional Winner (Mountain/Southwest, Southeast)

Now home gardeners have an easy-to-grow bunching onion (also known as a green onion) that is an All-America Selections Winner. Warrior grows quickly and thus matures early, producing a very uniform crop of slender, crisp onion stalks that are easy to harvest and clean. Can't get to your harvest? No worries as Warrior will hold up in the garden longer than similar varieties that were grown as comparisons in the trials. Warrior can be used raw to add texture, flavor and color to all kinds of dishes or they are delicious grilled whole as part of a grilled vegetable platter or entrée accompaniment.

All-America Selections® was founded in 1932 and continues as the oldest independent testing organization in North America. Every year, new, never-before-sold in North America varieties are trialed in our Trial Grounds and professional horticulturists determine which varieties will be deemed winners based on their garden performance. AAS relies upon a public relations program to inform gardeners about AAS Winners that are announced three times each year.
