

Seeds by Design, the name says it all...we are the first production company in the US to offer such a diverse line of vegetable and herb seeds from heirlooms to hybrids, suited for the commercial grower to the home garden trade. We offer more heirloom varieties than any other production company as well as our own line of hybrids, including peppers, tomatoes and vine seeds.

PEPPER HIGHLIGHTS

Pepper Dragon Cayenne F1

A culinary delight pepper for the home garden and kitchen garden. Matures in 70 to 75 days from transplant. Well suited for southern climates with lots of heat and growing season. Beautiful fall season display is a bonus. These hot beauties are perfect for any spicy cooking. Can be used for both fresh and dried chilies. Sturdy plant provide wonderful cover for these bright red upright, fiery finger 1-2 inch pods.

Pepper Sandoval F1

Sixty five days to maturity Serrano hybrid. Large plants bears small cylindrical jalapeno shaped, smooth fruit, up to two inches long, medium thick walls, turns from green to red, very pungent, fresh market and pickling.

Pepper Sweet Basket F1

Sixty days to maturity. Compact, prolific upright plants, with an abundance of one inch slightly flattened cherry shaped fruits, deep green to dark red, sweet fruit used mostly for pickling.

Pepper Muscato F1

75 days to maturity – Blocky 5 x 4 in. diameter fruits, very thick walls, mostly 4 lobed, dark green to orange, pendant, vigorous 24 inch plants with thick stems, ever bearing plants hold up well, Tobacco Mosaic resistant, heavy yielder, widely adapted, developed for both fresh market and processing.

Pepper Malbac

Large almost square 5inch fruits, with thick, very sweet mild flesh. Dark green fruit mature to bright cherry red. Early high quality peppers are ideal quality for both market and home gardens.

Pepper Geronimo

Early maturing in just 60 days. Upright prolific plants produce, 6 inch taped hot peppers, with a blunt point, thick waxy flesh. There are pale green, yellow, orange and red colored fruits on every plant.

Pepper Sauvignon Blanc F1

70 days. Early maturity and widely adaptable green to large yellow blocky bell. Excellent shape with thick walls and good weight. TMV & BST resistant. Fruit measure 5 x 4.5 inches. Compare to Heavyweight.

Pepper Thai Super Chili F1

65-70 days to maturity. Upright clusters of 1.5 to 2 inch inch hot peppers, matures red, compact plant to 18 inch, beautiful foliage, and bears abundantly. Thai Dragon type pepper, excellent for Asian dishes.

Growers on the cutting edge of today's market trends ask for Seeds by Design when looking for Organic, Heirloom or Hybrid vegetable seeds.
