

# SEEDS BY DESIGN

**Seeds by Design**, the name says it all... we are the first production company in the US to offer such a diverse line of vegetable and herb seeds from heirlooms to hybrids, suited for the commercial grower to the home garden trade. We offer more heirloom varieties than any other production company as well as our own line of hybrids, including peppers, tomatoes and vine seeds.

## GARDEN HYBRID TOMATOES

**Sugar Plum F1**

**Sunny Boy F1**

**Heirloom Black F1**

**Pink Brandyaster F1**

Early maturing hybrid "grape" tomato. Very heavy yielding 1 inch plum shaped fruit. Voted many times, the best tasting tomato in our trials, super sweet and tasty. Fruit set in clusters on indeterminate plants. Selected and bred for outdoor production.

80 days to maturity this bright yellow 8 to 10 ounce fruits with few seeds are very sweet flavorful. Fruits are globe shaped and firm, a plus if you wish to transport them. Semi determinate plants sets will in many climate conditions.

65 days to maturity. Plants must be staked or caged, flattened, globe shaped, eight ounce, dark red to purple fruit with delicate skin. The green shouldered, green tinted flesh, is full of flavor with a slight saltiness that enhances the taste, very juicy.

80 days to maturity, Hybrid version of the standard in heirloom tomatoes, prized for its incredible flavor, medium to large size, 10 ounce pink fruits, potato-leaved indeterminate plant, matures even in late northern areas.

**Fried Green F1**

**Heirloom Orange F1**

**Red Brandyaster F1**

**Early Choice F1**

Now the first tomato which was selected and created to be cooked when the fruit are still firm. What a culinary treat to create your own recipes and creations with this six to seven ounce very firm apple green to yellow tomato. Plants are indeterminate and set well through the entire season. And talk about holding ability, we have not tested a tomato which holds in the field or kitchen better than Fried Green.

75 days to maturity. Heirloom hybrid originally from the Northeast, indeterminate vines, large deep orange beefsteak with outstanding flavor. Can produce one pound fruits. The orange interior color is exceptional and prized for soups and sauces.

80 days to maturity. Large indeterminate potato leaf vines, deep red fruits, excellent flavor, fruit can weigh up to 12 ounces. The perfect size to slice for summer picnics and bar-b-ques. Just as flavorful as its pink sister.

Wow! 55 days to very early 5 ounce fruit. Early Choice is a bright red globe shaped tomato with excellent flavor. Every grower or gardener needs an early maturing variety like this one. One of the first ripe tomatoes in your garden with great flavor is a real find.
