

**Seeds by Design**, the name says it all...we are the first production company in the US to offer such a diverse line of vegetable and herb seeds from heirlooms to hybrids, suited for the commercial grower to the home garden trade. We offer more heirloom varieties than any other production company as well as our own line of hybrids, including peppers, tomatoes and vine seeds.

## TEMPTING TOMATOES

**Sunny Boy F1**

Eighty days to maturity. These bright yellow 8 to 10 ounce fruits with few seeds are very sweet and flavorful. Fruits are globe shaped and firm, a plus if you wish to transport them. Semi determinate plants will set in many climate conditions, including in greenhouse and hoop house environments.

**Chef's Choice Pink F1**

Another tasty beauty in beefsteak tomato category. Indeterminate potato leaf plants yield large (often more than one pound) fruits with sweet, meaty flesh. This hybrid is easier to grow than most beefsteaks so don't be timid, give it a try. The reward will be healthy disease-resistant plants and a large harvest of tasty, attractive pink fleshed tomatoes reminiscent of heirloom varieties.

**Chef's Choice Green F1**

AAS winner, Tomato Chef's Choice Green F1 is the newest addition to the Chef's Choice series. Produces beautiful green colored fruits with subtle yellow stripes and a wonderful citrus-like flavor and perfect tomato texture. You'll enjoy this disease free plant throughout the season with its dark green leaves and well-behaved form. You'll be the envy of all your tomato loving friends!

**Chef's Choice Yellow F1**

Another addition to the popular Chef's Choice tomato series. It produces hearty beefsteak type tomatoes in a beautiful yellow color. Sweet, citrus-like flavor with just the right amount of acid and the perfect tomato texture. 10 ounce fruits on 5-foot indeterminate vines. You'll enjoy harvesting 30 or more fruits throughout the season from this disease resistant plant with dark green leaves and well-behaved form.

**Patio Choice Yellow F1**

New compact, determinate tomato developed specifically for small spaces and container gardens. AAS winner, produces very large yields of 1/2 ounce bright yellow cherry tomatoes on short vines that grow only 18 inches tall. This mild flavored cherry tomato sets over 100 fruit on compact plants. For even easier picking, plant in a hanging basket.

**Patio Choice Red F1**

A semi compact, determinate tomato developed specifically for small spaces and container gardens. Produces very large yields of 1/2 ounce bright red cherry tomatoes on short vines that grow only 24 to 30 inches tall. Mild flavored cherry tomato sets over 200 fruits on compact plants. Plant in a hanging basket, trusses will hang down to about 24 inches.

**Chef's Choice Orange F1**

2014 AAS winner. A hybrid derived from the popular heirloom Amana Orange which matures late in the season. Maturity in 75 days from transplant. Disease resistance, wonderful bright, almost neon, internal color and superior flesh taste and texture. Excellent for soups and sauces because the intense color does not fade when cooked.

**Containers Choice F1**

A red Beefsteak tomato which weighs up to 5 ounces. This rugose leaved hybrid offers and excellent disease package along with a large crop tasty red tomatoes. The flattened round 5 ounce slicer is perfect for containers or in planting beds. Containers Choice can also be used for an ornamental planted with annual flowers on your patio.
