Tomato Patio Choice Yellow F1
AAS 2017 Edible Winner
National Winner

Patio Choice Yellow is a new compact, determinate tomato developed specifically for small spaces and container gardens. This AAS Winner produces very large yields of 1/2 ounce bright yellow cherry tomatoes on short vines that grow only 18 inches tall. This mild flavored cherry tomato sets over 100 fruit on compact plants which are perfect for urban or small space food gardeners. Consider using these beautiful tomatoes either fresh or in the oven or sun dried for a deliciously sweet treat. For even easier picking, plant in a hanging basket.

All-America Selections® was founded in 1932 and continues as the oldest independent testing organization in North America. Every year, new, never-before-sold in North America varieties are trialed in our Trial Grounds and professional horticulturists determine which varieties will be deemed winners based on their garden performance. AAS relies upon a public relations program to inform gardeners about AAS Winners that are announced three times each year.
