

**Seeds by Design**, the name says it all...we are the first production company in the US to offer such a diverse line of vegetable and herb seeds from heirlooms to hybrids, suited for the commercial grower to the home garden trade. We offer more heirloom varieties than any other production company as well as our own line of hybrids, including peppers, tomatoes and vine seeds.

## URBAN VEGETABLES

**Tomato Patio Choice Yellow**

**Mustard Braising Greens**

**Pumpkin Wee be Little**

**Herb Oregano Cleopatra**

Wow! 45 days to very golden yellow one ounce fruit. Patio Choice is super early cherry tomato with excellent flavor. Every gardener needs an early maturing patio variety like this. One of the first ripe tomatoes in your pots with great flavor is a real find.

A growing trend and market, which uses a blend of specialty mustard varieties and arugula. You can market our custom braising mix or create your own specific blend for your market or growing region. Mustard braising greens are also used for multiple cut. Very healthy alternative to lettuce mixes.

This 1999 All American Selection winner, matures in about ninety-five days. Fruit are small almost round, three inch by three inch, weighing one pound. Wee Be Little is well suited for baby carving pumpkins or painting. Also has very tasty flesh when cooked.

2015 AAS regional winning organic herb, excellent in mixed herb containers. Pretty silver gray foliage adds to ornamental value. Unique from Greek and Italian oreganos, Cleopatra has a pepperminty and mildly spicy flavor perfect in Mediterranean dishes, soups and sauces. This compact, trailing plant produces a high yield of leaves that are wonderful as a dried spice, when fresh isn't an option.

**Pea Patio Pride**

**Eggplant Shooting Stars**

**Bean French Garden**

**Lettuce Bistro Blend**

AAS Regional winner, very early maturing in just 44 days. Exceptionally sweet, flat 1.5 to 2 inch pods. These bright green sugar peas can be grown in a pot or any small garden space, either the spring or fall. Imagine snow peas on your patio in just 40 to 45 days. The reselected heirloom variety has been planted for almost 100 years since 1920.

This elegant, delicately striped, vivid purple eggplant would make a magnificent pendant. The lovely 3-4 inch long purple fruit from two foot tall plants taste as good as they look. Gorgeous and tasty in both garden and kitchen!

This famous heirloom type bean variety was originally from the south of France. Compact bush plants with bright green 5-6 inch pods. The French Garden variety is versatile in the kitchen. It can be used for slender snap beans, green shelling or dry beans.

A mixture of loose leaf lettuce and batavian varieties. All specific varieties have been selected for sweet flavor and thick leaves that stand up well in a rough chopped salad. Colors range from red, bronze, dark green and bright green. They composed this new mini lettuce mixture for your garden lettuce, production all year long.

Growers on the cutting edge of today's market trends ask for **Seeds by Design** when looking for Organic, Heirloom or Hybrid vegetable seeds.
